Net Contents: 17 oz/481.95 g

DIRECTIONS FOR USE:

Read entire label and use accordingly.

General Use Instructions: To spray, hold container or application device upright and point valve opening to targeted insect or area, away from you or anyone else.

Bed Bugs: Apply around baseboards, floorboards, floor molding, bed frames, wall hangings, mirrors, pictures, headboards, box springs, mattresses, electrical switch plates, furniture, door frames, bookcases, window frames or other places where bed bugs are found or known to harborage. When treating furniture and mattresses, pay special attention to tufts, folds, seams or hard to access areas.

Crawling Insects: Spray places where insects may hide, such as mattresses, bed frames, furniture, cracks, crevices, void areas, and around baseboards, floorboards, pipes and appliances.

Ants: Spray trails, mounds/nests, cracks and crevices around windows, doors, sills and other openings where ants may be entering.

Flying Insects: Contact flying insects directly. Spray with sweeping motion.

Termites: Kills termites on contact. Spray where termites are seen.

Food handling establishments: When using in food areas of food handling establishments, foods should be removed or covered. Do not apply directly to food contact surfaces.

For information regarding the use of this product call 1-800-321-1FMC (1362).

PRECAUTIONS

While this product has been identified as a minimal risk product exempt from Federal Registration, we recommend good safety and environmental practices as with any insecticide, such as avoiding contact with eyes and skin. If product gets in eyes, flush with water. If on skin, wash with soap and water. Contact a physician if irritation persists. You may also contact 1-800-331-3148 for Emergency Assistance

Physical or Chemical Hazards

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not use in the vicinity of open flame or pilot lights. Do not apply to electrical conduits, motor housings, junction boxes, switch boxes or other electrical equipment because of possible shock hazard.

STORAGE & DISPOSAL

Storage: Do not store near heat or open flame. Store in cool dry area away from children.

Disposal: Do not puncture or incinerate. Place in trash or offer for recycling if available.

This product has not been registered by the U.S. Environmental Protection Agency. This product qualifies for exemption under Section 25(b) of the Federal Insecticide, Fungicide and Rodenticide Act and all applicable regulations.
