Starbar® Fly Bait Station

The Starbar® Fly Bait Station is fly control made easy. A great option for both warehouse fly control and dumpster fly control, this solution is made to hold 2 ounces of fly bait and has a built-in tray, collecting the dead flies as they feed. The Fly Bait Station is an effective tool, reducing the mess and exposure concerns associated with spreading fly bait over open ground.

Controls:

Flies and other listed pests

Application

Get the most out of your fly control by using the Starbar® Fly Bait Station, wherever flies are a problem. Great for use around areas with high fly populations such as barns, warehouses and dumpsters. The Starbar® Fly Bait Station can be used with all fly control scatter baits and is ideal for use anywhere using a scatter fly bait is not desired.

Benefits

- Easy-to-use
- Mess-free design
- Eliminates unsightly debris from scatter baits
- Versatile design allows for use with all scatter baits
